REMARKS

Applicants herewith respond Supplemental Notice of Allowability mailed October 12, 2005 and to the Supplemental Notice of Allowability mailed September 28, 2005, as follows:

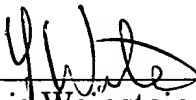

Applicant received a Supplemental Notice of Allowability mailed September 13, 2005, and noted that the Examiner's Amendment set forth the insertion of -- 1>I>N -- at line 2 of claim 35. Applicant noticed that the Examiner's Amendment to line 2 of claim 35 was not in accordance with the understanding between applicant and the Examiner and the insert should have read -- 1>i>N --. As a result, the Examiner submitted the Supplemental Notice of Allowability and Examiner's Amendment mailed September 28, 2005. It was noted that the change to line 2 of claim 35 read "after the capital letter "I" in formula 1>I>N with a small letter -- i --" was grammatically incorrect in that the word "after" should be amended to recite "replace". The Examiner also submitted the Supplemental Notice of Allowability and Examiner's Amendment mailed October 12, 2005, to recite the amendment at line 2 of claim 35 as "replace the capital letter "I" in formula 1<I<N with small

letter -- i --" which now properly recites the nature of the amendment at line 2 of claim 35.

Respectfully submitted,

Gredone et al.
